3. On 16 April, a unit of about 400 soldiers wearing red-bordered black epaulets, which had come from the Heiterblick Kaserne in Leipzig, was loaded with its materiel at the Taucha (N 52/E 31) railroad station. The materiel of the unit included 70 motorcycles with sidecars; 3 motorcycles; 13 two-axle armored personnel carriers,                      5 x 47-mm AT guns with trucks /                      trucks,                     ; ambulance /                      truck                      occupied by a lieutenant colonel; and billeting equipment which was brought to the station on several trucks. Truck /                      remained at the post. 25X1

4. On 17 April, another troop train of 15 to 20 coaches, 15 boxcars, and 10 flatcars was loaded at the Taucha railroad station. The unit boarding the train numbered about 400 officers and men who wore red-bordered black epaulets, including some with                      insignia. Its materiel included 10 T-34/85 tanks                      and an undetermined number of trucks                      Truck /                      was seen hauling troops to the railroad station, but returned to the barracks installation afterwards. \*

- \*                      Comment. The units of the 8th Gds Mecz Div which,                      were loaded, included the 20th Gds Mecz Regt from the Plak Kaserne, Wurzen; and the 21st Gds Mecz Regt with elements of the 69th Gds Tank Bn from the Plak Kaserne in Leipzig-Heiterblick. Some of these movements have also been observed by other sources. Since the movement to Koenigsbrueck of the 19th Gds Mecz Regt from Chemnitz and
